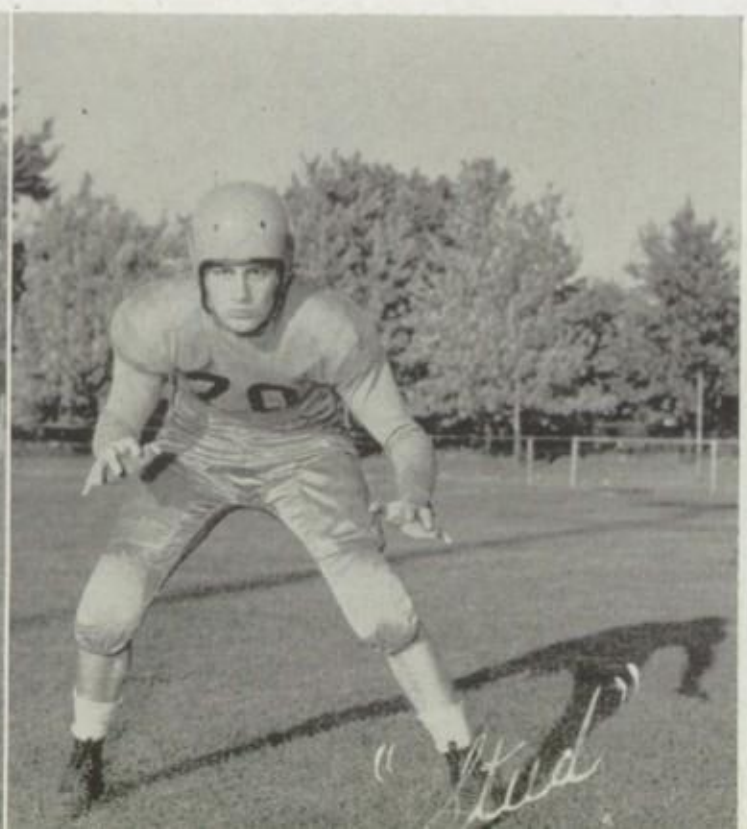
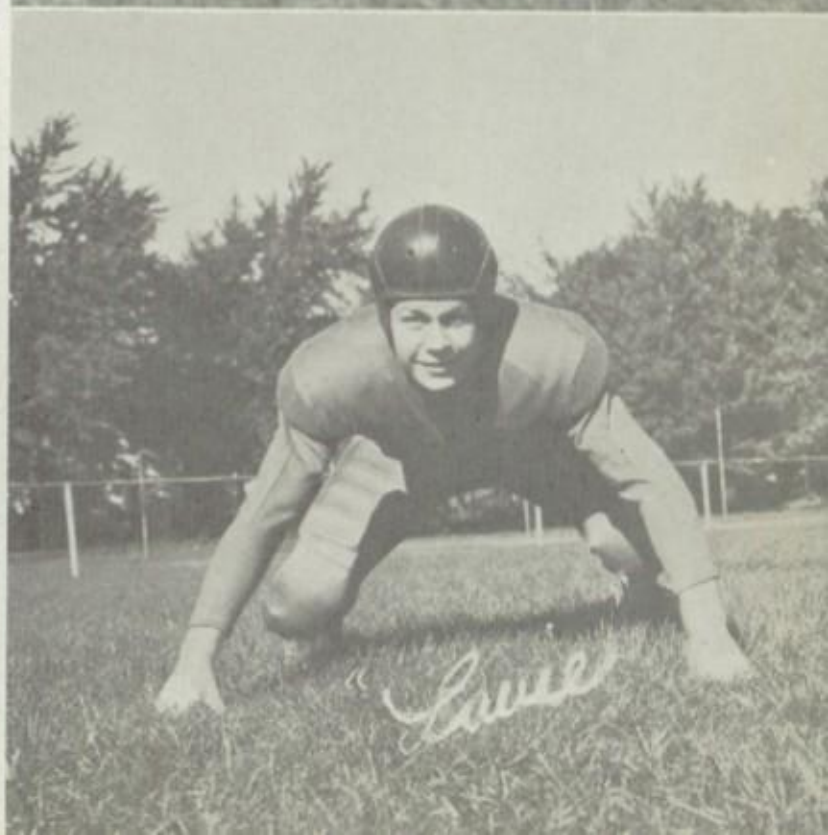
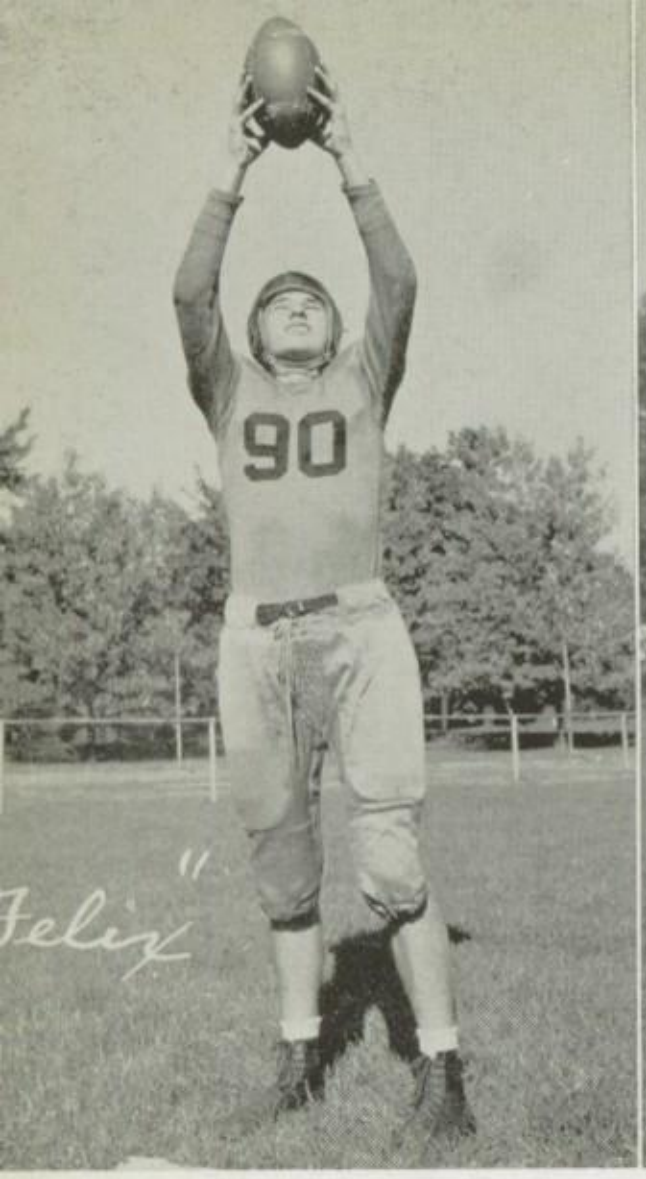
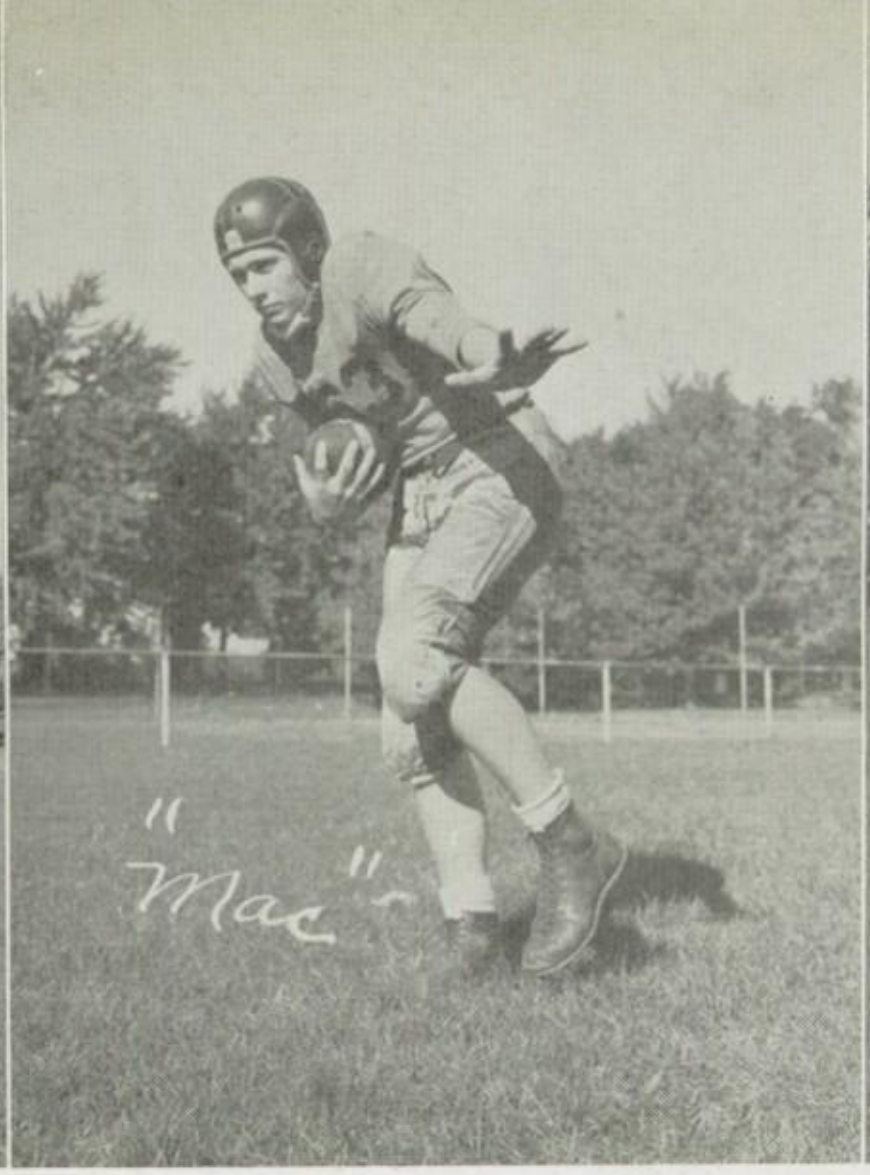
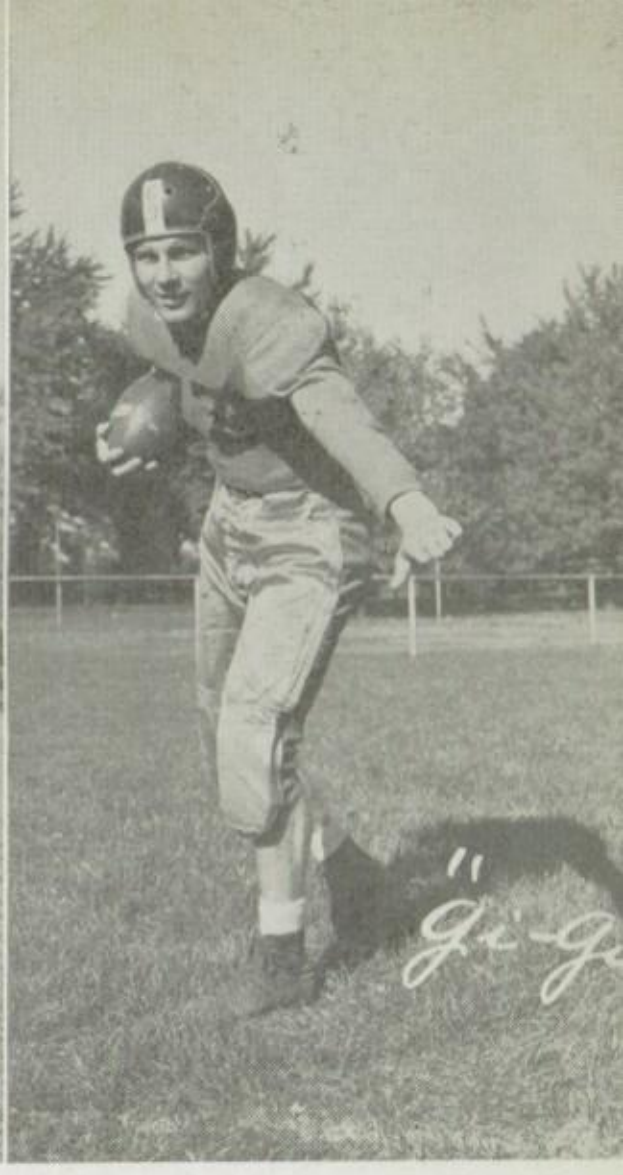
ettermen











On August 18, 1947, the future "Slicer Hopefuls" arrived at Kiwanis field to find a new coaching staff composed of John Janzaruk, head coach, and Earl Doloway, assistant.

"Genial" John is a former La Porte High School graduate and football star. He also starred on the Indiana University football team of 1937, '38, and '39. Previously "Genial" taught at New Castle, Cathedral High and Manual Training High at Indianapolis. Earl "Lover" Doloway came from Port Allegany, Pennsylvania and also starred on the Indiana football teams of 1940, '41, and '42.

Between these two very capable men the '47 Slicers completed one of the most successful seasons in the annals of L.P.H.S.

VARSITY GROUP

Huenecke, Alban, Honored

At the end of a most successful season, Gerhardt Huenecke was chosen by his team mates as captain of the football team. Gerhardt played tackle; and, despite numerous injuries during the season, he was still a great asset to the forward wall.

Dick Alban was honored by his team mates as the most valuable player of the year. Dick was hurt in the first game of the year and was not yet fully recovered for the Riley game. Had things been different — well, who knows?

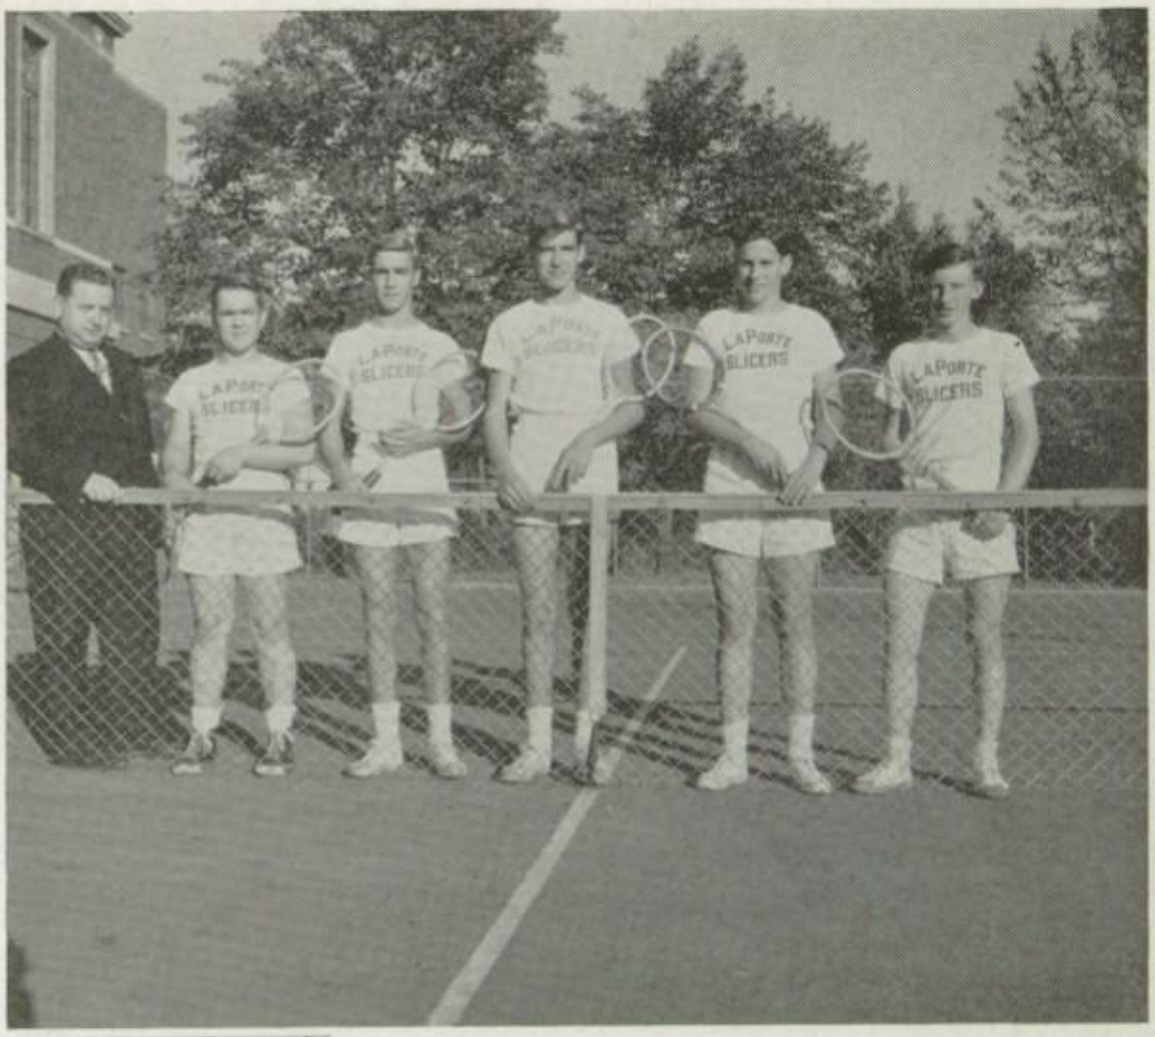
TENNIS

The 1947 tennis team had a mediocre season by winning three and losing five matches. The team, led by Bob and Gene Barker, finished sixth in the Conference. After losing their first match to Mishawaka, they beat Riley and then lost to Elkhart and John Adams. They won the next two games from North Side of Fort Wayne and Goshen and then finished the season with losses to Central and Michigan City.

Lettermen were: Bob Barker, Gene Barker, George Lubs, and William Wandell. Bob Barker was named both captain and most valuable.



Coach Prokl, Jim Sallwasser, Gene Barker, Bob Barker, George Lubs, William Wandell

GOLF

The 1947-48 golf team which finishes its schedule in the spring has done well in winning four and losing three meets. Led by Senior Ron Van Vactor and Juniors Ted Hupp and Jim Winkler the team finished third in the Invitational. The team will give foes plenty of opposition this spring when they finish their schedule.

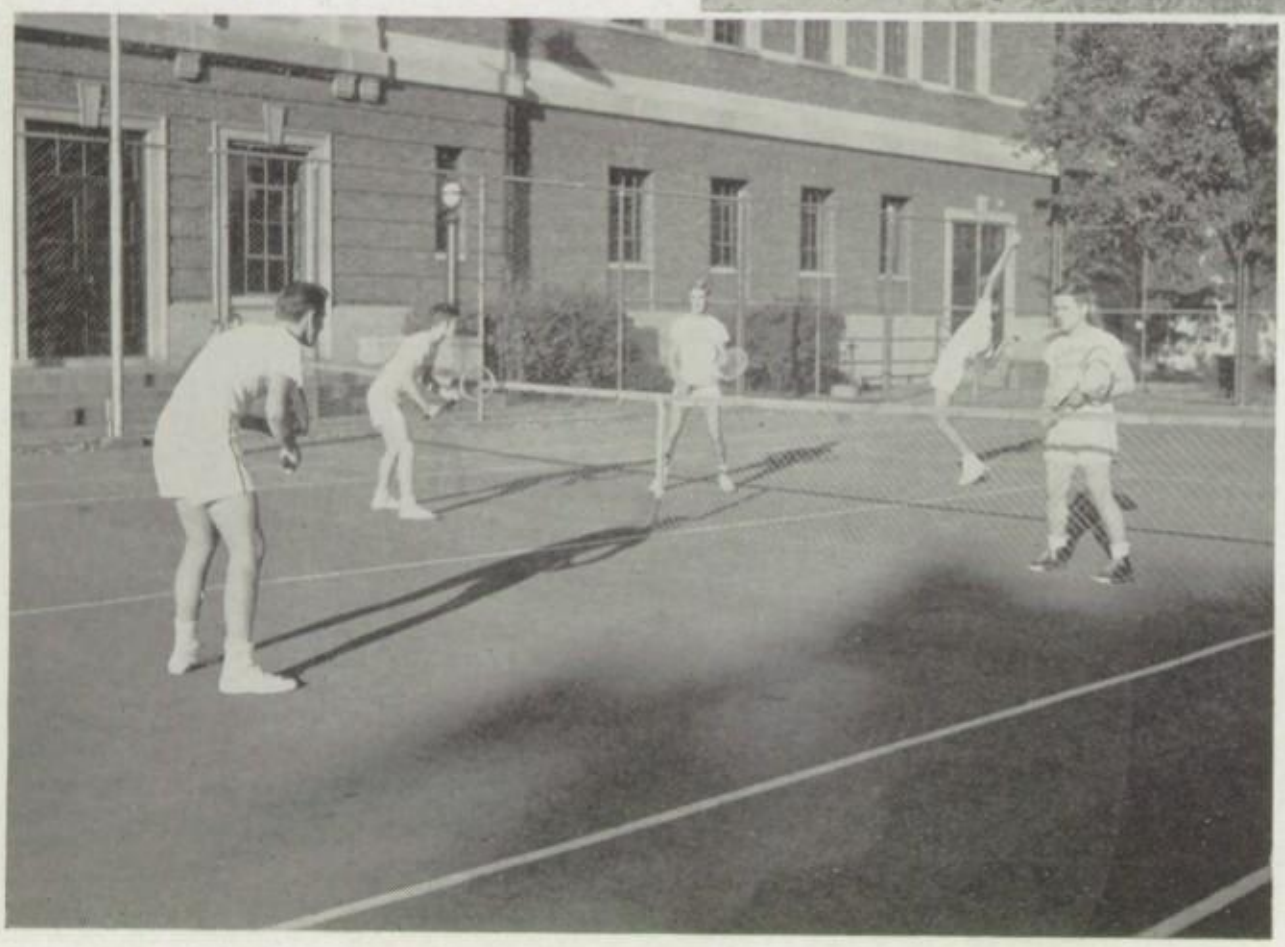
Coach Addington, Ted Hupp, Ron Van Vactor, Joe Conley, Gene Bush, Jim Winkler

CROSS COUNTRY

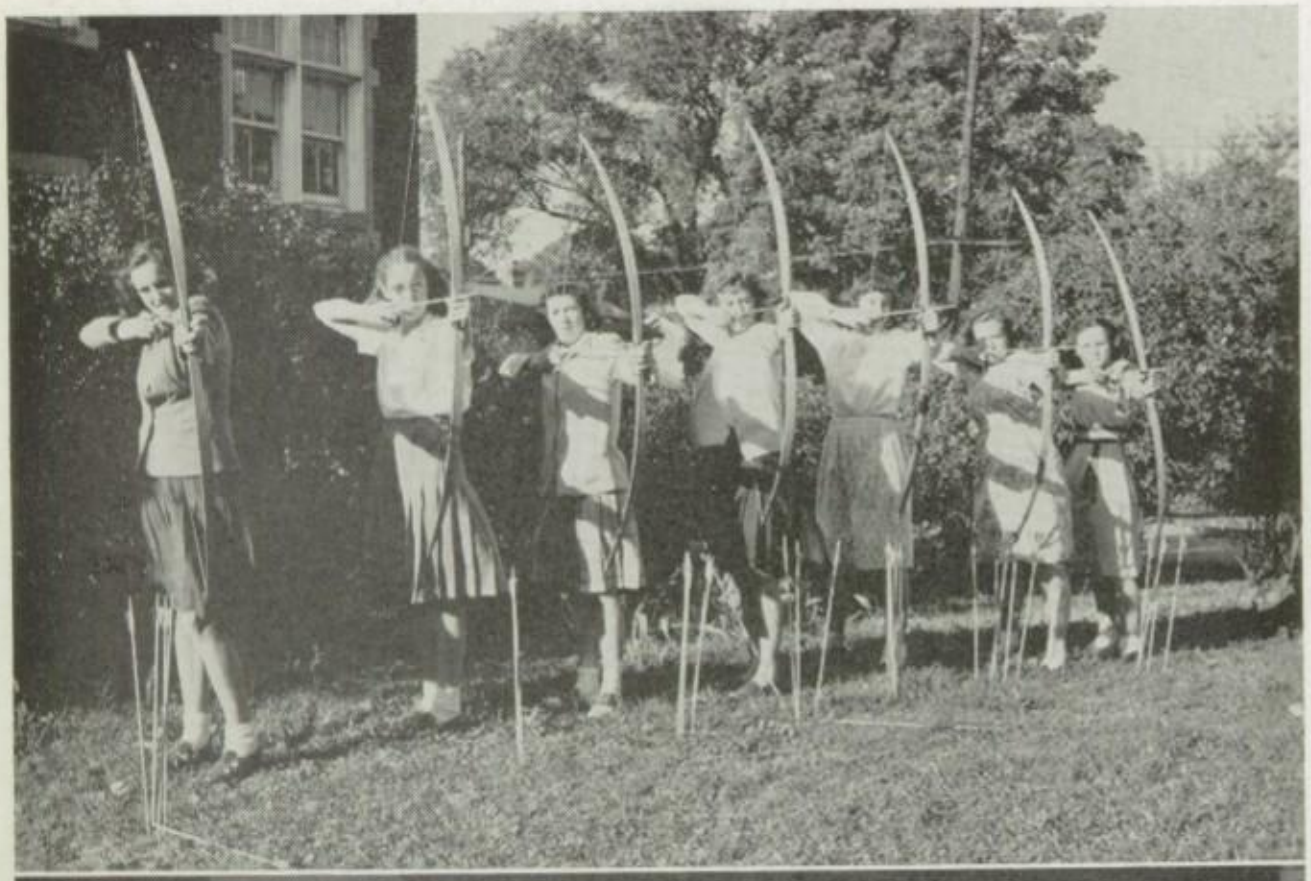
Coach Van Wagner, Dave Kessling, Ken Kramer, Bill Feikes, Bob Games, Keith Zook, Art McCauley, Paul Krentz, Dick Martin, Roman Szymula, Tom Fara, Max Landis, Jim Freese

The 1947 Cross Country team proved to be one of the best L.P.H.S. ever had, in spite of the fact that it had only one man returning from the 1946 squad. It placed second only to Mishawaka in the newly inaugurated conference while winning nine regular season meets and losing one to Conference Champs, Mishawaka, who went through their season undefeated.

The harriers did not fare so well in larger meets placing ninth in the Hobart Invitational and fourteenth in the Eastern-Western Division Conference meet. However, they ran their best in the State Finals at Indianapolis. There they ran tenth in a field of the fifteen best teams in the state.



Lettermen were: Keith Zook, Bob Games, Ken Harayda, Bill Feikes, Dick Martin, Tom Fara, Paul Krentz, and Roman Szmula. Zook was elected most valuable and Harayda captain.



G. A. A.

The Girls' Athletic Association is organized for all girls interested in sports. It offers a complete and varied list of activities during the year.

Outdoor sports of archery, hiking, and soccer are played during the fall. In the winter bowling, basketball, volleyball, and badminton are enjoyed. Softball and tennis are saved for the springtime.

Points toward sweaters are earned by participating in the above sports. If six different sports are entered, a sweater bearing the G. A. A. maple leaf is earned.

Each year the final event in the curriculum is the customary finale, a slumber party or "over-night."

In this way G. A. A. provides sports for girls, too.

The 1947 Senior play was the three act comedy "Stage Door." Thirty seniors composed the cast, with nineteen girls and eleven boys. The setting was the Footlights Club on Fiftieth Street in New York. The boarding house, run by Mrs. Orcutt, houses eighteen other females who are hopeful actresses. Various gentlemen calling on the women add romance and comedy throughout. Jean Maitland is the only girl to achieve theatrical success, but the love affair between David Kingsley and Terry Randall brought the play to a collossal ending.

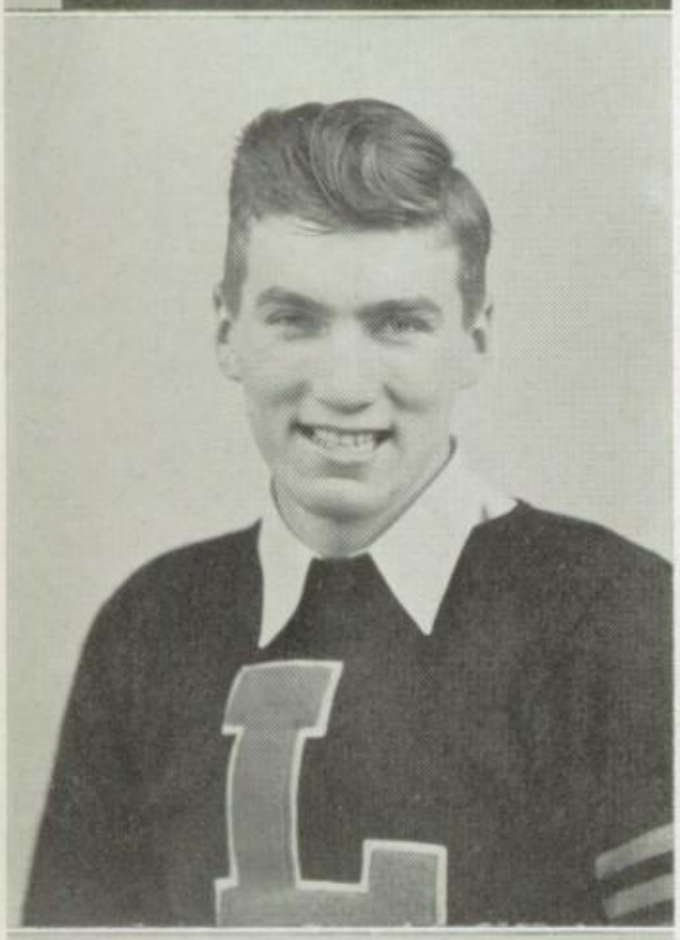
WINTER



CHAMPIONS

For the first time in seventeen years the La Porte High School basketball team won an undisputed conference championship of the Eastern Division of the N. I. H. S. C.

Despite a heartbreaking loss to Michigan City in the sectional, the Slicers compiled a record of twenty wins and four losses during the current season. This record has been bettered only by the team of 1921-22, which won twenty-one games and lost only two.

Charles (Charlie) Alsop, the high scorer of the season, was honored by his teammates as captain and most valuable player of the year. Charlie scored a total of 243 points during the season. Dick Baumgartner was second with a total of 228 points. Max Landis, John Steeb, and Dick Alban were the next in line.

It will be quite awhile before the ardent Slicer fans see a team equal this year's exploits.

Coach "Norm" Hubner is to be congratulated on his splendid work in making this team a polished ball club.

RED CROSS

The Junior Red Cross did its usual good work by sending gift boxes to the Merchant Seamen and to the County Infirmary. The Council also sent menu covers to the navy department for use on board ship. The entire annual roll call was given to the Ebert Recovery Fund. The display case was decorated for a two week period with material representative of Junior Red Cross work. Numerous gifts, get-well cards, and baskets of fruit were sent to students absent more than a week from school. Mr. Hobbs' homeroom received the placque for raising 250% of its quota for the roll call drive.

SCHOOL CITIZENS ACT ON PROBLEMS

The governing councils of L. P. H. S. promote the democratic government of, by, and for the students. These bodies take charge of school business. In this way the students get a good understanding of a democratic government many years before they reach the voting age.

LIBRARY

Library staff work is the process of learning library work as well as being of service to the school. The members receive credit for their work. They do such jobs as filing, repairing and shelving books, looking up reference material for students, and reviewing books. The staff is a large aid to Miss Guinn and is a necessary element of the school library.

SWIMMING TEAM

For the first time in the history of La Porte High a swimming team was produced. We were the second school in the Eastern Division of the Northern Indiana High School Athletic Association to field a team in this sport. The team participated in six meets; and, also, in the conference swim in which Gerhard Lichtblau finished second in the 100-yard backstroke. La Porte started out weak but improved rapidly as the season progressed. With six returning lettermen there are high hopes for next year. Coach Nicklas was ably assisted by Roy Kaber and Willard Lilly.
